

CORPORATIONS AND BUSINESSES

- This list includes current companies that are involved in supporting local arts charities and those who have headquarters in the region.
- For large national companies with a policy a link is provided to their site and a summary of what they support. Some companies do not have a stated policy but their contact details are provided.
- For smaller local companies, they are listed as supporters on arts organisations websites, the nature of the support is not always clear – it may be financial or in kind, or favoured suppliers who offer charity discounts.
