

# SEATING PLAN AND TICKET PRICES

To see actual seat views, visit [roh.org.uk](http://roh.org.uk), choose your production, performance date and seating area, and then click on the available seats to see their views. Our current theatre was built in 1858, so please be aware that there are sightline, surtitles and legroom restrictions. See opposite.

For acoustic reasons it has become necessary to remove the seats on both sides of the Stalls Circle closest to the stage (shown above in grey). Occasionally, some of these seats may be reinstated and made available for sale at a later stage once rehearsals have started and noise levels have been assessed. If seats are released, Friends of Covent Garden who have identified an interest in these seats will be notified before they are released for general sale.
