About the Royal Opera House

Home to The Royal Ballet, The Royal Opera and the Orchestra of the Royal Opera House our vision is to give everyone access to exceptional ballet and opera.

Since closing our doors due to the global pandemic in March 2020, the Royal Opera House has continued to bring together the world's most extraordinary artists and curated the #OurHouseToYourHouse programme of 19 streams, 4 socially distanced live concerts and a suite of online content that has been viewed over 315 million times in 183 countries.

The Royal Opera House continues its #OurHouseToYourHouse programme this autumn, bringing audiences the best of the ROH through a new series of live performances, cinema screenings, Friday Premieres and cultural highlights in partnership with the BBC and Sky Arts. We hope to welcome back socially distanced audiences in the near future.

The Royal Opera House is committed to widening participation and deepening learning for all ages. This summer we launched Create and Learn, offering free online home-learning opportunities for children and young people. In addition, The Royal Ballet partnered with Cast and Doncaster Council to support Doncaster residents with online resources and remote direction to create a unique community dance film, *Doncaster Dances*.

Royal Opera House Recovery Campaign

Live performance is a shared experience, and our audiences are at the heart of what we do on our stages, backstage, online, in cinemas and in our communities. This year's global pandemic has affected all arts organisations across the world. We have lost £3 in every £5 of our income, and any Government loan will take us only part of the way. We need your help with our Recovery Fund to bring artists back to our stages. roh.org.uk/donate
